

St. Peter's Child Enrichment Center

VPK Registration for 2019-2020 School Year

Dear Parents,

As we prepare to begin our registration process for VPK, here is a little more information which might be helpful in making your decisions for next year.

The VPK state-mandated program provides the monies to cover 540 hours a school year of preschool education. This is a minimal amount that does not take into consideration the cost of a high quality preschool.

Here are some of the things about St. Peter's which we feel makes us a high quality preschool:

- *Teachers with 20 years of experience
- *All teachers have a minimum of a Child Development Associates degree
- *Low teacher/student ratio
- *Outstanding resources and abundant supplies
- *Bible, Music and Spanish classes
- *Curriculum enriched with Field Trips & Guest Speakers
- *Gold Seal School with the Department of Children and Families
- *Gold Seal accreditation with United Methodist Association of Preschools

With all of this in mind, hopefully you will understand why we feel justified in charging you a Non-Refundable REGISTRATION FEE (covers supplies and classroom holiday celebrations), a BUILDING IMPROVEMENT FEE (covers on-going maintenance of the building), an ACTIVITY FEE (covers VPK field trips and in-school activities, Graduation Caps/Tassels) and TUITION (covers the wraparound cost that the state does not pay for).

VPK vouchers may be applied for ONLINE @ <https://familyservices.floridaearlylearning.com>.

You will need your child's birth certificate and proof of residency. You can register at St. Peter's without your voucher, but we will need it turned in to the office NO LATER THAN March 29, 2019.
